

Birthday Book Club

2009 – 2010 School Year

N.B. Galloway School would like to invite all students to join the school's Birthday Book Club. To participate, students are asked to donate a new book of their choice to their school library on or around their birthday or half-birthday. Please make sure the book is age level appropriate.

Hardcover books are suggested due to their durability and longevity. A list of suggested books and topics is provided on the back side of this page or is also available on the district website. After the student brings the donated book, special Birthday Book Club labels are placed both inside the book and on the spine by the call number so that fellow patrons can see who purchased the book.

Students will receive a special birthday bookmark and Birthday Club Certificate and will have the opportunity to be the first student to check the book out of the library!
