

CHANNAHON JUNIOR HIGH SCHOOL
8TH GRADE WASHINGTON D.C. FUNDRAISER

Dear Parents:

All students that are planning on attending the 8th grade class trip to Washington, D.C. are eligible to fundraise to earn money towards their trip. Our fundraiser this year will be selling candy bars. Fundraising can start immediately. The last day to get candy will be the last day of this school year.

The candy that will be available is as follows:

A) **\$52 count/tote** – **Mainstreet Sweet Shoppe** which contains Buddy Bears, Sqworms, Sour Jack Watermelon, and Sour Jacks

☺ \$27 will be sent to the candy company, and \$25 is your profit, which we send directly to the Educational Tours.

B) **\$60 count/tote** – **Payle\$\$ Top Sellers Variety** which contains Reese Cups, Snickers, Peanut M+M s, Caramel, Plain M+M, SJ Watermelon, Skittles, and Oreos

☺ \$32 will be sent to the candy company, and \$28 is your profit, which we send directly to the Educational Tours.

Here is how the fundraising works:

1. Students must be registered for the trip with Educational Tours.
2. Then, a student may **purchase** a box of candy at the cost of \$1.00 per candy bar (either \$60 or \$52 per box, depending on what you choose).
3. When you sell all the candy in that box, you keep the money. All you have done is recouped your cost of the candy.
4. The check that you turned into me gets deposited. Some of the money (the cost/profit breakdown was listed above) is sent to the candy company, and the other part of the money is sent to Educational Tours. Educational Tours will then credit your balance with that amount, thus reducing the amount of your bill. You pay less for the trip!

Students are not allowed to sell candy at school. However, teachers are selling candy in their classrooms. All the money earned by classroom sales will be divided evenly between all the students going on the trip.

If you have any fundraising questions, please feel free to contact Mrs. Bettenhausen (ebettenhausen@csd17.org) or Mrs. Michalak (jmichalak@csd17.org).
